

PLAGIARISM IN ACADEMICS

Cases of Plagiarism and Cheating

Choose two or three of the articles below to read. Copy and paste the link into your Internet browser, or click on the link to open it. Also, if you choose, you can find another article about academic plagiarism on the Internet.

If some of the links are not active, try doing a Google search for “plagiarism in academics” to find some other articles to read, or search for the terms in **red** below.

University of Virginia Student Accused of Plagiarism
